Day #2

Abu Dhabi

Meal: B - D

Post breakfast and at around 1000 hrs, guests will head out to explore Abu Dhabi with a French Speaking guide. It is a full day tour (private) where the guests will get to see Saadiyat Island and Experience the amalgamation of rich cultural and traditional heritage with modern contemporary life.

Their discovery journey will start at the **Sheikh Zayed Mosque**, one of the biggest mosques in the world.

There is a strict attire to adhere to when visiting the mosque, details of which will be shared.

After the Mosque visit, guests will continue to the **Women’s Handicraft Centre**. It is here that they will get to admire the skill and dexterity of local ladies making traditional handicrafts.

Guests will be taken to Louvre Museum. The origin of Louvre Abu Dhabi dates back to 2007, when France and the United Arab Emirates came together to develop a new kind of cultural institution. The result is a museum rooted in Universal human values, the first of its kind in the region. Louvre Abu Dhabi represents the dynamic nature of the contemporary Arab World, while celebrating the regions vibrant multicultural heritage.

With support and contributions from Agence France-Museums – gathering seventeen of France’s most renowned cultural institutions – Louvre Abu Dhabi represents a unique opportunity to combine the UAE’s bold vision of cultural progression and openness with France’s expertise in the world of art & museums.

Walk through every exhibit area can take up to an hour. Guests can spend as much time as they’d like. This is not a guided tour of the Museum.

Next on the stop is Ferrari World Museum, the first Ferrari World Branded Theme park in the world and the largest indoor amusement park. This is where guests can get onto the world fastest rollercoaster with a speed of 0 to 240 km/h in 4.9 seconds. The ride lasts 90 seconds and its experience, a lifetime.

There is no planned lunch stop on this day. There will be an opportunity to dine either at the Museum or at the mall attached to Ferrari World.

At 1900 hrs, guests will enjoy Middle Eastern Cuisine at [Mezlai restaurant](#).

Designed to recall an airy Bedouin tent, Emirates Palace’s **award-winning Emirati restaurant**, Mezlai, pays homage to Abu Dhabi with décor and a vast menu steeped in the heritage and geography of the UAE.

Mezlai’s tent motif elicits a millennia of Arabian culture and hospitality under which diners emerge as royalty. In planning its menu, Mezlai creates dishes with ingredients derived from the sea, mountains, oases and desert that evoke the region. The menu features decadent updates on staples of the Arabian diet accenting expected ingredients, such as za’atar, camel and dates, and introducing the unexpected flavours of saffron, rosewater and hand-picked wild oregano.

A meal in Mezlai is a window into Emirati culture, a warm welcome to the long history of Arabian hospitality and a journey into flavours as old as the sands of time, which taste as fresh and inspired as this city of tomorrow. No stopover in Abu Dhabi is complete without sampling the local flavours and dining as the locals do.

Mezlai means the old lock of the door, was born to feature the Emirati Cuisine with a Middle Eastern touch to suit the palate of a multicultural environment. The traditional food of the Emirates has always been rice, fish, and meat. Seafood has been the mainstay of the Emirati diet for centuries. Meat and rice are other staple foods; lamb and mutton are the more favored meats, then goat and finally beef. Popular beverages are coffee and tea, which can be supplemented with cardamom, saffron, or mint to give them a distinct flavor.

Dress code: The dress code in the restaurant is smart casual. No shorts, flip flops, slippers, sleeveless, vests, t-shirts, and Bermuda’s. Gentlemen are requested to wear a shirt with collar, trousers and closed shoes or UAE national dress.
